How it works

As a UPMC *for Life* Complete Care (HMO SNP) member, you will receive \$225 each quarter to buy covered over-the-counter (OTC) products.

- At the start of each quarter, your allowance will be added to your mail-order account.
- To take advantage of your allowance, you must order products listed in this catalog. You can order products online, by phone, or by mail.
- The products listed in this catalog are in alphabetical order under specific covered item categories. To order, you will need to provide the product name, item number (SKU), and quantity you would like to order.
- Products will be shipped directly to your home. Please allow up to 7-10 business days for delivery.
- At the end of each quarter, any unused dollars will rollover to the next quarter but must be used in full by the end of the calendar year.

Important things to remember:

- Keep this catalog and use it to order products from Jan. 1 through Dec. 31, 2022.
- To take advantage of this allowance, you must order products listed in this catalog.
- Your order total may not exceed your available allowance amount. Cash, checks, credit cards, or money orders cannot be accepted.
- Because of the personal nature of these products, returns cannot be accepted.
- Some limitations and restrictions may apply for covered products.
- Make sure to talk to your doctor before taking any OTC medications.
- Covered OTC products are for members only. Members cannot purchase products for family members and friends.
- The products included in this catalog are offered through a third-party company called DrugSource, which is responsible for processing your orders and shipping your products to you as quickly as possible.
- There is no charge for shipping and handling. Any additional costs you may notice are to ensure you receive the best possible customer experience and that your orders arrive accurately and timely.
- The product prices included in this catalog are set by DrugSource and may be subject to change.

Covered products

This catalog includes a list of covered products that you can buy with your OTC allowance. You do not need a prescription to buy these products. **Certain products may not be available at the time of your order. Products may be replaced with a comparable product without notice and may look different from the product pictures in this catalog. Product prices are set by DrugSource and may be subject to change.**

Dual-purpose products

Certain products can be used for either a medical condition or for general health and well-being. These are called dual-purpose products. **We've marked these products with ±.** If you would like to use your OTC allowance to purchase these products, your doctor must recommend them for a specific diagnosable condition. Please talk with your doctor before ordering these products.
