RiverSpring Star

(HMO I-SNP)

2020 Over-the-Counter Product Catalog

With RiverSpring Star (HMO I-SNP), one of your key benefits is coverage for many over-the-counter (OTC) products. Each month, you are able to purchase products and their cost is covered by the Plan. There is no out-of-pocket cost to you, up to the maximum benefit amount.

This packet contains important information about how you will use this benefit. Please save this information in a convenient place, so you can refer to it when you need to purchase additional products each month. This packet includes the following information: maximum benefit amount, how to order your OTC products and a list of products that is covered by RiverSpring Star (HMO I-SNP).

What is an OTC Benefit?

You are able to purchase certain health products, and the cost is covered by our Plan. Some examples are first aid products, ointments, dental products, and pain relievers. There is no out-of-pocket cost to you, up to the maximum benefit amount. For a complete list of approved OTC products, please see the list in our Over-the-Counter Products Catalog, or call Member Services at 1-800-580-7000 (TTY/TDD 711).

How Much Is My Monthly Benefit?

RiverSpring Star (HMO I-SNP) will pay for up to **\$70** a month for over-the-counter products. OTC products may only be purchased for the member.

On the first of every month, your OTC benefit will automatically replenish with \$70 for you to use towards OTC products. At the end of the month, any remaining balance for the month will be lost and will not be carried over to the following month.

How Do I Use My Benefit?

There are two ways for you to take advantage of your OTC Benefit.

You can call OTC Member Services at 1-877-715-9398, 9:30 a.m. to 11 p.m., EST. TTY Users can call 711. Have your member ID Card ready, and the names of the products you wish to order, and any other information about the product you are ordering (for example, whether you

prefer tablets or capsules). Your products will be delivered to your door. You do not have to pay for shipping.

You can also order your OTC products online by visiting <https://shopping.drugsourceinc.com/riverspring/>. Have your member number and birth date ready so you can sign in and start buying the products you need to stay healthy and well. Your products will be delivered to your door. You do not have to pay for shipping.

Please note that orders can only be placed twice a month. You do not have to use your full benefit amount at one time, but remember that any unused benefit amount will not carry over to the next month.

Requesting Reimbursement for Products Purchased On Your Own

You can also purchase OTC products that are available through this benefit at any local store, and ask RiverSpring Star to reimburse you for the costs. You are still limited to the total amount available in your benefit. To request reimbursement, please follow the steps below.

- Submit an original itemized receipt showing the products you purchased. The receipt must show: store where purchase was made, date of purchase, the specific name of the product(s) that were purchased, and the price paid.
- Your request must also include information about you. Please include in your request: Member's name and ID number, the complete mailing address where your reimbursement should be sent, and your phone number so we can contact you if we have any questions.

All requests should be sent to:

RiverSpring Health Plans
Attn: OTC Card Services
